I acknowledge that I have obtained, read and understood the current Accountants Super Product Disclosure Statement and Incorporated Information, including the information about the risks and investment objectives and strategies of each option in the Investment Incorporated Information and information about fees and costs in the Fees and Costs Incorporated Information.

I understand and acknowledge that my direction relates to an investment option or options formulated by the Trustee and not to the underlying financial products or managers utilised by the Trustee to implement the strategy or strategies. The Trustee may change the underlying financial products at its discretion from time to time.

I understand that neither the Trustee or its related entities guarantees my investment in the Fund or any particular rate of return. I accept that the Trustee shall not be liable for any loss due to any choice of investment option made by myself or the Trustee.

I understand that if I have selected investment options without any professional advice regarding my own circumstances or I have chosen not to provide all the information required by my advisor or I have chosen to take up an option(s) that differs from my adviser's recommendations, I may be making investment decisions or a financial commitment in respect to my superannuation based on my own views that may not suit my needs.
