## Keeping track

The Association of Super Funds of Australia (ASFA) has urged super members to keep better track of their super. AFSA suggests the best way to reduce lost super is for employers and fund members to ensure correct contact information and Tax File Numbers (TFN) are provided when opening a new super account or transferring funds.

To update your employee contact details, you can:

- Phone on 1300 651 331
- Email, [info@accountants-super.com](mailto:info@accountants-super.com)
- Visit eSuper, or
- Submit updated information with your contribution return.

Members with lost super can download a SuperMatch Authorisation Form from our website, or visit the ATO website [www.ato.gov.au/super](http://www.ato.gov.au/super). Alternatively, they can us on 1300 651 331 or email [memberservices@accountants-super.com](mailto:memberservices@accountants-super.com) for assistance.
