WHAT HAPPENS TO MY FUTURE EMPLOYER CONTRIBUTIONS?

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits **FROM**.

If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about Choice. For the appropriate forms and information about whether you are eligible to choose the fund to which your employer contributions are made, visit www.superchoice.gov.au or call the Australian Taxation Office on 13 10 20.

THINGS YOU NEED TO CONSIDER WHEN TRANSFERRING YOUR SUPERANNUATION

When you transfer the whole balance of your superannuation, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your superannuation. If you ask for information, your superannuation provider must give it to you. Some of the points you may consider are:

- **Fees** – your **FROM** fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees. Your **TO** fund may also charge entry or deposit fees on transfer. Differences in fees funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.
- **Death and disability benefits** – your **FROM** fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance, or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs and amount of any cover offered.

WHAT HAPPENS IF I DO NOT QUOTE MY TAX FILE NUMBER (TFN)?

You are not obligated to provide your TFN to your superannuation fund. However, if you do not provide your TFN, your fund may be taxed at the highest marginal tax rate plus the Medicare levy on contributions made to your account in the year, compared to the concessional tax rate of 15%. Your fund may deduct this additional tax from your account.

If your superannuation fund does not have your TFN, you will not be able to make personal contributions to your superannuation account. Choosing to quote your TFN will also make it easier to keep track of your superannuation in the future.

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another superannuation provider, when your benefits are being transferred, unless you request in writing that your TFN is not to be disclosed to any other trustee.

TRANSFERS TO SELF MANAGED SUPERANNUATION FUNDS

You may use this form to transfer your benefits to your own self managed superannuation fund (SMSF).

You should be aware that SMSFs are subject to the same rules and restrictions as other funds, when benefits are to be paid out. In particular, superannuation benefits in a SMSF are required to be 'preserved', meaning they are not generally able to be accessed until you are over age 55 and retired.

The trustee of your **FROM** fund may be able to request further information from you about your status as a member, a trustee or a director of a corporate trustee of your SMSF, if there are multiple transfer requests to your SMSF. Penalties may apply for providing false or misleading information.

Completing proof of identity

You will need to provide documentation with this transfer request to prove you are the person to whom the superannuation entitlements belong.

HAVE YOU CHANGED YOUR NAME OR ARE YOU SIGNING ON BEHALF OF ANOTHER PERSON?

The following table contains information about suitable linking documents.

The person who is authorised to certify documents must sight the original and the copy and make sure both documents are identical, then make sure all pages have been certified as true copies by writing or stamping 'certified true copy' followed by their signature, printed name, qualification (eg Justice of the Peace, Australia Post employee, etc) and date.
